

Brandi B. Storybook Album Plan Babies First Year Plan A:

This a modern approach to our traditional Footsteps Traditional Album Program. Here you can document your child's first year of life with our Modern Coffee table Storybook Album. This album has actual prints mounted onto the album pages and is very similar to a wedding album with panorama and custom photo covers options available.

- This plan includes 4 studio sessions (maternity or newborn) 6 month , 9 month and 12 month)
- **Custom designed 10x10 or 8x12 (26 page) Coffee Table Album** capturing your baby's first expressions and milestones that occur through their first year of life.
- In your Album you will have approximately 6 Pages with 6-24 images from each session (number of prints depends on the size of images you choose for each page)
- Custom designed Music video combining various images from all 4 sessions included within this plan
- Extra charges will apply to sessions taking place outside of the studio and for sessions with more than three people
- A **15 %** discount will be given on any reprints at time of each session
