

## **What to bring to your senior session.**

**For guys,** Mom, a word to the wise if you are bringing a son in for senior pictures. Left to their own devices, a typical senior guy will bring in what he is wearing which is usually a ball cap and t-shirt. If pressed on the issue he will bring a second t-shirt, for formals of course. So guys need help, lots of help! Threaten, coerce, bribe or do whatever you can to talk them into bringing in at least one long sleeve solid shirt or more if possible and then let them bring whatever else they want. Encourage them to check out our website where they will see some pretty cool guy shots with everything from cars to sports equipment to whatever. If they are into it, just have them bring it.

**For girls,** bring 6-8 outfits. We won't get to them all. It's best to have several to choose from though. Of course bring their favorites, but bring what you know they look great in as well. There is usually some disagreement on this point but just have them bring it to humor you and I will get them to wear it.

I love when the girls bring at least one or two dresses with their heels (or barefoot), but I know some girls don't like dresses and that's Ok too. A prom dress, sundress work great too. Bring sunglasses, sporting equipment, musical instruments, pets and just about anything that says who they are. Bring casual items as well. Bring a cool coat, even in the middle of summer. So don't just limit your outfits to the season we are in. Hats, scarfs, sweaters with cool necklines, colorful raincoats and fun umbrellas work great too!

### **For Both,**

Solid colors are simple and sometimes work best. If there is a pattern go for a small less distracting one. Try to stay away from logos/icons on clothing.

Bring your letter jacket and or class ring if you have them.

Don't forget any shoes or jewelry that go with a certain outfit.

Don't forget TO HAVE FUN!!!!!!!!!!!!!! BRANDI B. PHOTOGRAPHY
